

PROFIT THROUGH PURPOSEFUL MARKETING

Through my personal project VIVERE LA SPAGNA I support and lead Travel Agencies worldwide to **increase bookings for Spain** and therefore **PROFIT** by shifting from:

- Being one of the many even though you are selling your soul
- Throwing up one's hands whenever shows up a client having a very specific travel request or needing deep local customized advice for Spain
- Struggling to have a decent and gratifying annual profit
- Having an unexpansive “low-medium budget trips’ market” prospective and mentality

To

- Being **the most visible and magnetizing** one of a kind agency, absolutely catching the eye on premium travelers!
- Instantly been able to activate your **fool-proof personal inner circle** capable of finding for you a fulfilling answer and doing exactly what it says on the tin
- **Skyrocketing bookings** by proposing travel in a completely different and jaw-dropping way!
- Having a crystal clear “**being the best and not the cheapest**” certainty

HOW?

By bringing into play a mind-blowing **holistic approach** when proposing and selling the destination, which implements both an appropriate mindset & a powerful marketing strategy based on the mesmerizing trigger power of the EXPERIENTIAL and EMOTIONAL connotation which can be poured into travel.

As a key part to exponential growth in your business I aim to be a trustworthy and **FULL SUPPORT** point of reference for any special, tailor made, out of catalogues requests you might receive or wish to propose to PREMIUM CLIENTS who desire **deep local discovery** & to **live the most authentic and genuine Spain**
